

COAL AGE

INDEX FOR VOLUME II

July 1 to December 31, 1912

NOTE—Illustrated articles are denoted by an asterisk (*); book notices by a dagger (†). Titles are often abbreviated. They are indexed under their most important words, or, if no word be distinctive, under their first one (except "A," "The," etc.), or under some topical word not found in the title. Authors, geographical and other proper names are also used freely.
